## Wicked Colors W200 Transparent Base

- W200 Transparent Base is the colorless binder/inter-coat in the Wicked line.
- It has a very low build, dries semi-gloss and may be added to Wicked Colors to increase transparency without thinning.
- W200 works well to improve control and prevent blow-outs when reducing colors in excess amounts with W100.
- Available in 2oz., 4oz., 16oz., 32oz. and 1 Gallon sizes.

## Stencils

Eddie Davis' popular skull characters #4821-06, Vandemon's award-winning flames #4846-00, and innovative new fish lure stencils by SNAX #4820-00. All stencils are precision laser cut, solvent-proof Mylar.
